Alpine Waste & Recycling Makes *Inc.* 5,000 List of Fastest Growing

COMMERCE CITY (Aug. 29, 2007) – Alpine Waste & Recycling, the largest privately held waste and recycling collection company in the Denver area, was named recently to the *Inc.* 5,000 list of Fastest Growing Companies.

A perennial member of the Denver area's Top 25 list of fastest growing companies since its inception in 1999, Alpine has built its client base via unparalleled service and attention to customer demands.

"We are pleased to receive this national recognition from *Inc.* magazine," said John Griffith, president of Alpine Waste & Recycling. "It tells me that we are listening to our customers at all levels, from pick-up to processing to billing, and we are responding appropriately to those customers' special needs."

About Alpine Waste & Recycling

Alpine Waste & Recycling is the largest privately held commercial waste and recycling collection company in the Denver area. Founded in 1999 as a single-truck operation called Alpine Disposal, the company has earned the status as one of the top 25 fastest growing Colorado companies every year for the last four years. Alpine has parlayed a customer-service focus into a compound annual revenue growth rate of greater than 40 percent since the company's founding. With more than 30 trucks and more than 50 employees, Alpine hauls more than 100,000 tons of waste per year. For information go to www.alpinewaste.com or call 303-744-9881.
